

Queen Palm

Right-Facing

Special Instructions

This decal comes in 4 pieces for easier application and are numbered on the back of each decal to correspond with the placement shown below.

Simply follow the regular directions for application, using tape and spacer dots to determine desired placement before applying directly to the wall/surface.

Peel away corner of white backing from decal to expose a portion of the back of the decal. Place this corner in desired position on wall and smooth down.

Slowly peel away more of the backing while smoothing graphics to wall/surface until all of the backing has been removed and the graphics is securely on the wall. Smooth down with hand or squeegee.

Repeat this process for each piece.

This is how it will look when done.
